Year 3 & 4 at Inspire+ Mini Olympics

The children had a fantastic day at the Mears in Grantham with lots of other schools experiencing a range of activities. All of the Ambassadors were there to support them.

Year 3 & 4 at PGL

An extract from Charlie T's recount on PGL.

Raft building at PGL was amazing. First what we did was building the raft of course. It was really fun building it. The best bit of it was 'Sausage Roll'. When we finished raft building we went in with the raft Miss Clare, and Ebony splashed us with water. Then I jumped in the water, I was the first person to jump in.

An extract from Freddie's recount on PGL

One day we went to PGL and it was really fun. We went to climb a climbing wall. We wore harnesses to get up and there was a bell at the top. I got all the way up there. It was very hard to get up but I still made it. Some people made it up really quickly.

Awards

If your child received an award last year please return to school as soon as possible Thank you
