### Birthdays

Happy Birthday to Lucas and Callum. We hope you have had/will have a wonderful day!

### Zoom Lessons

Zoom lessons will begin next week (if not already) and they will be fantastic for both the children and teachers to engage in the learning.

Please can we ask that you monitor what your child might be writing in the 'chat' area as we have had a couple of inappropriate comments and children are not focussed on the teaching when they are typing 'hello' messages. Staff are looking to disable this function when appropriate but if teachers allow the chat then they will read all the comments at the end of the lessons and contact parents if necessary.

The Zoom lesson timetable has been emailed out today and is on the website along with the updated risk assessment.

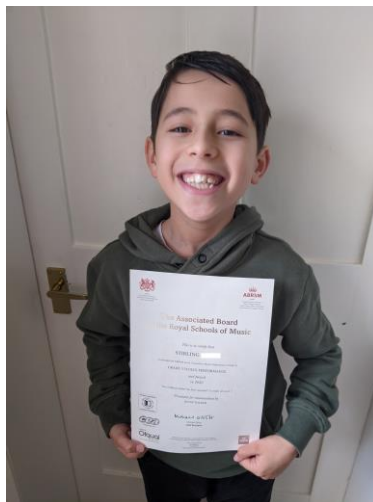

## Home Learning

Rohan and Louie had a fun afternoon finding different words around the garden and then read them to their Mum. They then wrote them on the floor with chalks. They loved this activity.

Oli busy with his maths in his home classroom.

Stirling has passed his Grade 3 Violin. Well done Stirling and good luck for Grade 4 'Quizas'.

Eva litter picking in her village.
