#HelloYellow

We have raised an amazing **£97.00**

For **#HelloYellow** today.

Thank you so much for everybody's donations
and for taking part.

E Safety Update

Please find below links to interesting and hopefully useful updates regarding managing screen time, reviewing friends lists and limiting in-app purchases.

X-Box Family Settings - for parents

Microsoft have recently released some new management features that parents can use. Available for iOS and Android, it is a free download and it has some great features, e.g.:

- Create new child accounts.
- Manage screen time limits (including grant more time).
- Accept or decline friend requests.
- View and manage friends list.

See more here: <https://news.xbox.com/en-us/2020/09/24/xbox-family-settings-app-launch/>

In-App Purchases

Quite often children don't see online currency (V-bucks / Robux) as real money and it can be very tempting to spend or want to spend this 'free' money on new skins, levels, characters etc. It can be quite easy to click through and spend real money without realising. The link below gives instructions to check if your settings prevent in-app purchases or not.

<https://www.thewhitehatter.ca/post/prevent-unauthorized-purchases-in-online-gaming-platforms>

Thank you so much to everybody for your donations (this is 22 stones worth of food!)

Week Commencing 12th October 2020

No Teacher Led After School Clubs due to the Parents' Evening telephone calls and zoom meetings but the Multi Sports Clubs with Mr Henson are going ahead as follows:-

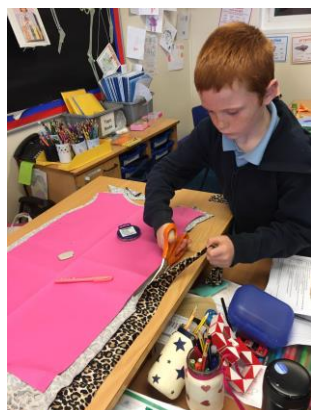

Monday - Reception - Multi sports with Mr Henson

Wednesday - Year 3/4 - Multi sports with Mr Henson

Thursday - Year 1/2 - Multi sports with Mr Henson and Mr Tipton

Friday - Year 5/6 - Multi sports with Mr Henson and Mr Tipton.

Attenborough Class: Prehistoric Outfit Project

Here is Arthur working on his prehistoric outfit and being an expert at driving Mrs Hunt's big shears!

Attenborough Class: Measuring 10x Bigger

The Attenborough class children have been outside in the fresh air this week practising their measuring and maths skills.

NHS Track and Trace App

This has now gone live and we strongly urge you to download it onto your phone

The app runs on proven software developed by Apple and Google, designed so that nobody will know who or where you are. And you can delete your data, or the app, at any time. It has a number of features:

Trace: find out when you've been near other app users who have tested positive for coronavirus.

Alert: lets you know the level of coronavirus risk in your postcode district.

Check-in: get alerted if you've visited a venue where you may have come into contact with coronavirus, using a simple QR code scanner. No more form filling.

Symptoms: check if you have coronavirus symptoms and see if you need to order a test.

Test: helps you order a test if you need to.

Isolate: keep track of your self-isolation countdown and access relevant advice.

If you come into the school you can scan our QR code with your app to check in and help stop the spread of the virus.

Out of School Achievements

Bonnie was presented with her trophy last weekend for coming runner up in the Terry Mitchell Trophy indoor bowls competition. Well done Bonnie!

Dates for your Diary

We are still awaiting guidance in relation to the events/assemblies which we will be able to hold in School/church this year so we are afraid we are still trying to figure Christmas out so everyone can still have fun. We will let you know as soon as we can.

New additions to the calendar will be **highlighted in red.**
