"Buckminster School, where children become Inspirational Learners"

School Triathlon Event - Wednesday 3rd July

We need parent volunteers please to be marshals on the day (afternoon only) to ensure the cycling section particularly is safe for the children. If you can help us please let the office know so we can add you to the list. Thank you

The Farm

A reminder of the dates for the children to help on the farm.

Week beginning	Year Group
1 st July	1
8 th July	R

Awards

If your child received an award in the Award's Assembly last year please could these be returned to School as soon as possible please in readiness for this year's Awards being given.

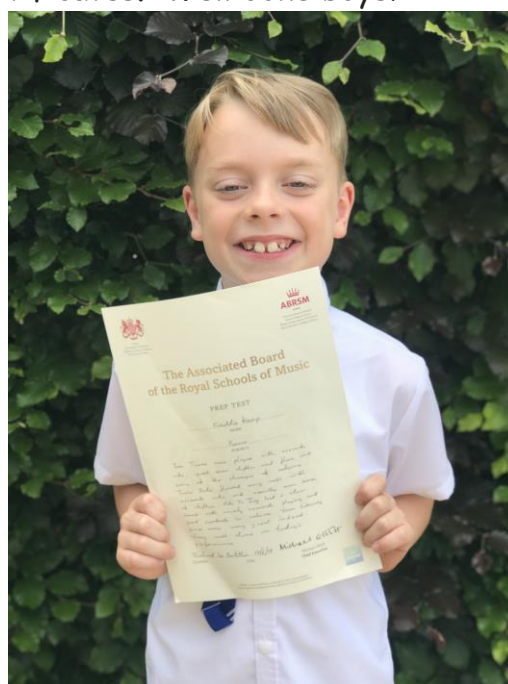

Parking outside school and road safety

Following our letter (signed by all of the children in school) we are now in communication with the local authority regarding the school warning lights and parking outside of school. We are on a waiting list to have new warning lights installed and we have applied to have the yellow road markings extended so they are in front of the playground. These markings will also become mandatory which means it will be illegal to park on them between certain hours. School will keep you posted and give you plenty of warning!

Congratulations to:

Jacob and Freddie who both passed their Prep Test for the piano last week. This is a fantastic achievement and the first of many certificates. Well done boys!

Pirate Party

Pre-School, Year R, 1 & 2 all enjoyed a Pirate Party Day on Wednesday. They had great fun all day joining in pirate themed activities and games. They all enjoyed a lovely picnic lunch - thank you for all the lovely donations of food towards this.

Year 6 Camp and trip to Twinlakes

The Year 6 children have had a great night camping at Beaumanor Hall last night and got some(!) sleep although they were up and awake at the crack of dawn this morning ready for a day at Twinlakes (to include ice creams which they did not let Mrs Clarke forget about!).

Thank you to the staff and parents for volunteering who have made the trip possible and for all of the food donations. They have certainly not gone hungry!

Year 6 Camp Continued/

Food and Farming Day Year R - Year 5

The Year R - Year 5 children have had a lovely sunny day at the Food and Farming Day. The children have been learning where food comes from and the importance of agriculture and the countryside at this interactive learning event. They have also found out more about livestock and working animals and have seen the machinery and technology used on UK Farms. Thank you to all of the parent volunteers who joined us on the day.
