Jeans for Genes Day - Tuesday 20th September

Jeans for Genes Day is all about raising money and awareness to help some of the most vulnerable people in the UK. Together, we can do our small part to help transform the lives of families affected by a genetic condition. The children will take part in a whole school assembly on that day to help them understand why we need to help.

All we ask is that children wear jeans with the normal school uniform on their top half for £1.00. Reception and Pre-School children just need to wear their usual forest school clothes with their jeans.
