Year 1 & 2 Making Salads with Mrs McKeown

This week the three children have been making a healthy salad.

Medicines in School

Following Healthy and Safety advice for schools, we are unable to keep Calpol and other general medicines in school unless they have been specifically bought in for a particular child.

A form must still be completed prior to any medicines being administered but we will not be able to phone you during the day to ask if we can give a dose of Calpol etc. from our own supply.

Well done to:

Jack

Well done to Jack who represented his team, Melton Under 8s, at a huge tournament in Minehead in Somerset. His team were amongst 31 teams from around the UK, so to win five matches, draw one and lose one is an amazing achievement. Well done Jack.

Florence and Annabelle were chosen as the winning Spinney sign designers. Their designs will be combined and Sue Britten has kindly offered to make it. It will be called.
