Attenborough Class - Cool Dudes in Science!

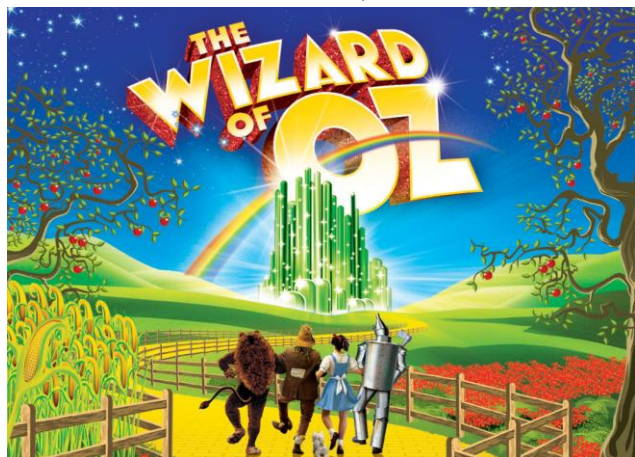

Attenborough class looking cool (and safe!) in their safety glasses for Science this week. They were testing the properties of rocks. They dropped water on some of them and added vinegar to some and watched what happened. The chalk was amazing!

Pantomime in School

Well what can we say, the pantomime was absolutely brilliant! It was lively, entertaining and funny. The children (and staff!) loved every minute. Paul, the performer from M&M Theatrical Productions fully engaged the children. He interacted with them with him dancing and entertaining while the children watched on from a safe distance.

Here are some reviews from the children:-

The wizard of oz

I think that you should watch this, because Professor was absolutely amazing and funny at the dance every body dance along. My favourite character was Dorothy and lion. This is the best and I love singing along with my friends.

The wizard of oz

I liked the wizard of oz because it was dramatic and awesome and creative.

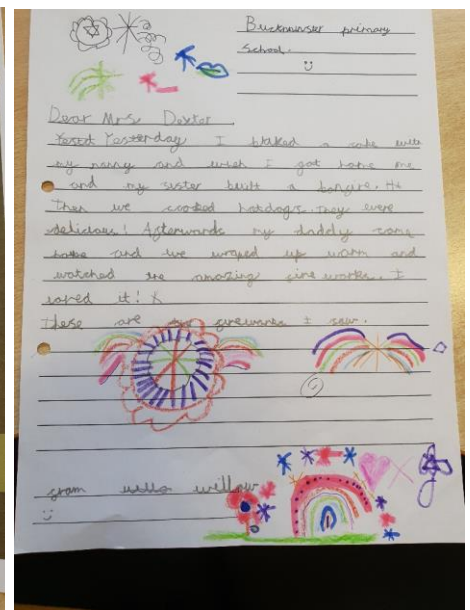

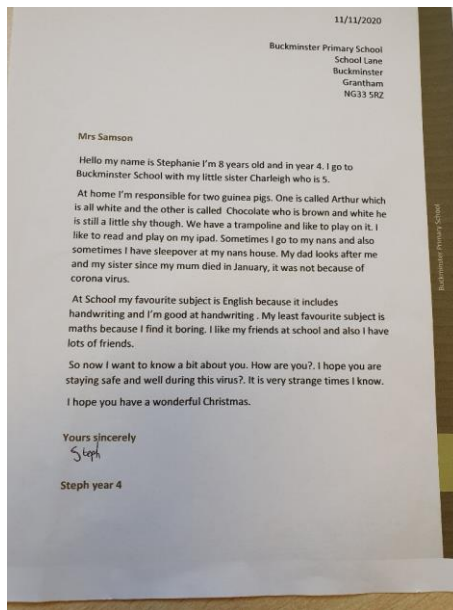

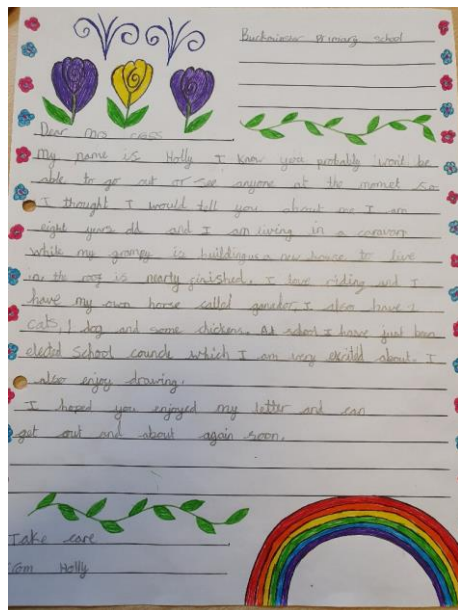

Now I am going to rate the movie and I rate it 5 stars.

My favourite character was Professor stage. My favourite part was when they went to the castle.

Writing to the elderly

Mrs Mills asked the children in Willow's class if they would write letters to elderly people in the local community who may be a little lonely during lock down. Apparently, they were very well received and added a little bit of joy into their lives. Well done Attenborough class. You have made a big difference to someone's life.

New Parent Governor

Mrs Katherine Coleman received the most votes in the ballot for the vacancy for the new Parent Governor. Thank you to all three applicants and welcome to Katherine to the Governing Body.
