Birthdays

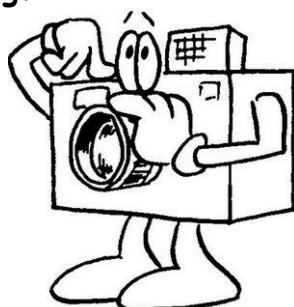

Happy Birthday to Alfie Z who has an upcoming birthday this week. Happy Birthday to you! We hope you have a lovely day.

Whole School Photographs - Thursday 6th May

We have our Whole School Photographs on Thursday 6th May. We look forward to seeing all of the children in their smart School Uniforms.

As it is Reception, Year 1 and Year 2's PE day - there is no need for PE uniform that day - please send the children in their School Uniform. Please could the children just bring their trainers in a carrier bag.

Music Monday

On Monday the children were learning about Turntablism and Music Technology. Our two visitors were brilliant and lots of the children had a go at scratching and mixing. We can't wait for them to visit again as the children had such fun.

Summer Holidays

We are having some significant repair, maintenance and new construction works carried out over the Summer Holidays at School. Therefore we will unfortunately not be able to offer our Summer Sports Club this year. We understand that this will be disappointing for the children but we are working with Inspire+ in relation to their Summer holiday activities and details of these will follow shortly.

We are having significant roofing works carried out by the Leicestershire County Council. These works will take up 4 weeks of the Summer Holidays and it would not be safe to have children on the School site at the same time. The Leicestershire County Council have also organised for our very old boiler to be replaced during the Summer.

We are also having the Spinney Outdoor Classroom constructed over the holidays on the School field which is an exciting addition to the children's learning opportunities. May we say a huge thank you to the PTFA. It is funds raised by the PTFA which are funding this project. We would like to thank everyone who gets involved in the PTFA whether it be organising events, donating towards cake raffles, ice creams etc. It all helps in raising funds so we can enhance the children's experiences in School. We have also been extremely lucky that the funds raised this year have received corporate match funding from VMware organised by Stirling's Mum, Viv. We cannot thank you enough for boosting our funds. The outdoor classroom will serve as a lasting PTFA legacy which will benefit children attending Buckminster for many years to come.
