### Birthdays

Happy Birthday for these Summer Holiday Birthdays!  
Lily Mc, Louie, Scarlett, Harry G-L, Sonny, Lucia, Charleigh and Noah.

We hope you all have an amazing day!

### Goodbye

Today we say goodbye to our amazing Year 6 children. They have had a very strange last year at Buckminster School but hopefully will have some wonderful memories to treasure. We wish them lots of luck in their new schools and welcome them back anytime.

Mrs Clarke has recorded a special message to all of the Year Groups and this will be uploaded to our website later on today. It will be in the parent's information tab under information.

## Mr Henson

Congratulations to Mr Henson for completing his Apprenticeship year with us. We will be pleased to welcome him back from the Autumn Term as a Level 3 Teaching Assistant/Sports Coach. Well done Mr Henson!

## Year Group Sports Days

Another good week of Year Group Sports Days this week despite the ever changing weather! The children have really enjoyed being together again.

## Risk Assessments

Risk assessments for the reopening of school in August and T-Line Travel have been added to the website for your information. They can be found in a new section in the top blue bar called 'COVID-19'

## Recovery Curriculum

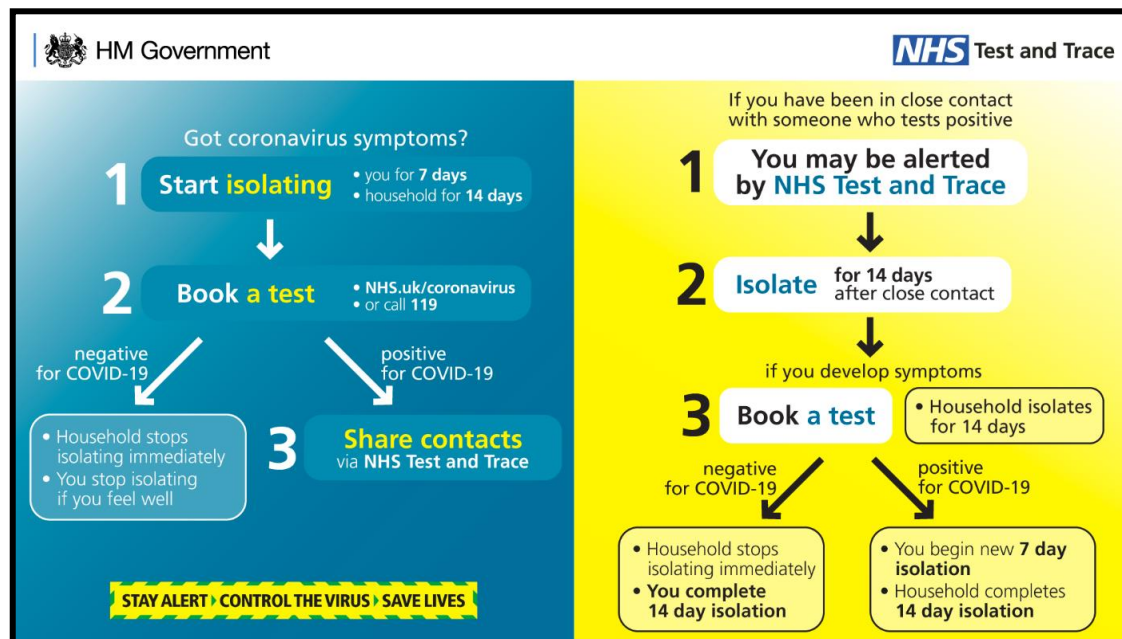

This document can also be found in the COVID-19 section and gives you a clear idea of what and how we will address gaps in children's learning, knowledge, skills and social and emotional development and what support will be put in place. It does not include individual topics for each class - these can be found under CLASSES on the website.

## Mrs Parkin

We are pleased to inform you that Mrs Parkin will be working with the year 5/6 children one day a week to support the 'tutoring programme' for those who need a little more support due to the school closure. This is additional to the normal teachers and teaching.
