*"Buckminster School, where children become Inspirational Learners"*

### Polite Notice

It has been brought to our attention that there are some children who have verruca's and /or warts in the school. We have a 'no bare feet' policy at school, so it is extremely unlikely that this is caused at school and more possible that it is from public swimming baths. It is policy at the swimming baths we use for swimming lessons to use rubber socks to help prevent the spread of verruca's and warts. Please check your children's feet/hands and treat at home or see your doctor for advice.

Thank you for your understanding in this matter.
