### Sunshine!

We have had some fantastic sunshine this week - at last! It has been so lovely seeing the children enjoying our outside space.

Please may we remind you to send in a **named cap or a hat** with your child as they do spend a lot of time outside. Also, please apply a long-lasting high factor **sun cream** in the morning **BEFORE SCHOOL** as we are unable to help children apply it during the day. Thank you.

## Einstein Class - Natural Disaster Project

Einstein Class brought into School their natural disaster projects this week. The children brought in models of volcanoes and tornadoes, as well as some powerpoint presentations and a couple of volcano cakes. We had a great time watching all of the eruptions and hearing all about how the children created their fantastic models!
