-Year 6 Safe Cycling in the Afternoon

Friday 27th September -

"Buckminster School, where children become Inspirational Learners"

Year 6 - 11+

Good luck to all Yr 6 who are
taking their 11+ this weekend

Breakfast and After School Club

We would like to remind you that if your child is to attend Breakfast and/or After School Club that they need to be booked in either through the School Money Website, by telephone, email or in person at the Office or via Mr or Mrs Watkin **BEFORE THE DAY**. If you cannot log in to your School Money Account then please pop into the Office and we will check your account to ensure we are set up correctly.

Aldi Stickers

We are collecting so please bring your stickers in to school!

Aldi's Kit for Schools promotion is giving 20 primary schools the chance to win £20,000 to kick-start a health legacy for their school. What's more, every school who enters by completing their Aldi's Kit for Schools poster will also receive an exclusive school sports kit! Collect a sticker with every £30 spent in store and fill up your school's poster for a chance to win.

#HelloYellow

This year our school, along with thousands of other schools, is focussing heavily on children and young people's mental health; this is part of Buckminster School's development plan for this year.

To raise awareness of mental health issues we would like to raise money for the charity YoungMinds and for Buckminster School (50/50) so we can be better equipped to support our children. Funds raised will go towards resources for the children to access.

On 10th October we would like everyone to wear yellow. It could be just yellow socks if that is all you have or a complete yellow outfit or fancy dress costume. There will be a photo booth outside for children and parents to use before and after school and children will take part in a variety of wellbeing activities throughout the day. In return we are asking for donations to be placed in the yellow buckets. Thank you

Bike to School Week 23rd September 2019

As part of our health and wellbeing campaign we would like to encourage as many children as possible to cycle to school next week. The gate to the field will be kept open so bikes can be kept on the field along the fence.

Mr Henson, our sports apprentice, has a lot of experience with bike maintenance having previously worked at Halfords so will check each bike that comes to school to make sure it is safe to ride. Any issues will be communicated with parents.

On Wednesday 25th and Thursday 26th September any Year 6 child who has their bike in school will have 2 afternoon training sessions on safe cycling. This training will take place on the playground and every child must have a helmet. If you are unable to get your child's bike to school on those days they will still attend the training sessions and pick up some useful information.

Please encourage your child to cycle if they can.

**JUMP REVOLUTION
SCHOOL OF THE WEEK:**
