Dates for your Diary

### Birthdays

Happy Birthday to Amelia for next week. Hope you have a great day.

### Captain Sir Tom Moore

We were all sad to hear of the passing of Captain Sir Tom Moore this week. Such an inspiration to so many people.

Scarlett walked up to the Captain Tom bench in the village and laid some flowers there for him as an act of kindness and in his memory.

Such a lovely idea and gesture Scarlett.

## Home Learning - Weekly Challenge - Music

Francesca joining in with the music lessons and Lucas practising his saxophone.

Alexander on the violin, Benjamin playing guitar and Henley playing piano. Think you have your own band forming!

## Other home learning activities

Holly has done a beautiful mosaic underwater picture and completed the egg experiment! I wonder what she discovered?

### **A Message from Dove Cottage Day Hospice - Santa Fun Run**

Dear Buckminster Primary School

Many thanks for your email. It's fantastic to hear that the children had such a fun time - that's what it's all about, as well as raising money for our charity, of course!!! They certainly looked they were loving it on the photos.

I just wanted to add mine and Dora's personal thanks for supporting us - it's the first time we have run a virtual event like this before, and the support of organisations like your school and children like your pupils is vital to us making the event a success.

If you could pass our thanks to all of the parents, teachers and supporters for their sponsorship and organisation, too, that would be great.

The money will certainly be put to good use on our new Dementia Home sitting Service as well as our new online services, and home visits/day care when we're allowed to; the hospice needs a bit of a spruce up!

Thank you once again, and best wishes for smooth homes schooling and return to school when we are able.

Kind regards

Jenny

This picture has been drawn by Paul Cummins MBE the artist behind the ceramic poppies at the Tower of London. He was asked for his thoughts over the period and offered this as something to offer hope, new beginnings and Spring. Perhaps the children might want to create their own version or print this one and colour it in and put up in their window.
