A few 'like most about Buckminster School' quotes from parent questionnaires:

A lot of extra-curricular activities

The teachers

Buckminster Bites

The outside space and the creative ways of doing things

That all children no matter what age are taught to respect one another and that every child is taught as an individual

Morning 'Wake and Shake'

Starting Monday, Mr Dixon will be on the playground on Monday, Tuesday, Thursday and Friday each week from 8.40 doing a 10 minute aerobics/exercise session for everyone to take part in if they wish. Based on research, children who take part in physical activity first thing in the morning tend to concentrate better in the classroom.

Please encourage your child to take part and we welcome parents who wish to have a 10 minute exercise boost too.

Potatoes for Sale

We have a small number of potatoes for sale (not so many this year because of the hot summer).

The year 1 children will be weighing them and putting them into 1kg bags and these will be available to buy on Monday after school. All proceeds go back into the farm garden.

The Library Bus is due to visit on Friday 2nd November please could children remember to bring in their library cards and books to return.
