Thursday 1st July - Inspire+ Mass Participation Day.

Friday 2nd July - School Reports sent home.

Birthdays

Happy Birthday to Francesca A for this weekend! Happy Birthday to you and we hope you have a lovely day.

Thank you to Aryan's Family

We wanted to say a huge thank you to Aryan's family for providing all of the Year 6 children and staff a lovely pizza picnic lunch on Wednesday this week. This was very generous and kind of you. It was lovely to all sit and enjoy our lunch together.

Newton and Darwin Tractor Visit

We had a visit from Oscar's Daddy and his tractor on Wednesday this week. Newton and Darwin classes enjoyed looking at the tractor and learning all about it. Thank you so much for visiting the children they had a great time.

Year 6 Camp and Twinlakes

The Year 6 children have had an absolutely fantastic time camping in the spinney and on their trip to Twinlakes. They had a fun day in School on Thursday playing games and organising themselves for the evening. They all pitched their tents and put all of their home comforts in for the night. They then enjoyed their evening meal around the campfire followed by toasting marshmallows. They settled down in the hall to watch a film then back outside in the dark to play games before bed.

This morning they all enjoyed a cooked breakfast before heading off to Twinlakes for the day. Lots of fantastic memories have been made. Thank you to Mrs Clarke, Mr Henson and Mrs Smith for looking after the children and to Mrs Wallace for the fabulous breakfast! Also to the parents and staff for setting up and taking down the camp. We think everyone may need an early night tonight!

Sarah Outen Inspire+ Visit - The Great Big Book of Adventure

Sarah Outen visited us today on her adventure tour to deliver our copy of The Great Big Book of Adventure story book, to mark the 10th Anniversary of Inspire+. The local School children have been involved in creating the story book and our contribution was written by Alexa, Teegan, Charlotte and Freya. Well done to you all, you must be very proud to see your story in print! Teegan accepted the book and badges from Sarah on behalf of the School.

Sarah has been touring the local Schools as part of her adventure on her pushbike and came to us from Corby Glen and then onwards to Long Clawson and by the end of this week will have done over 100 miles on her bike. Sarah read the story out to the children and answered a million questions from the children about her adventures! It was lovely to see the children so engaged and inspired by Sarah to carry out their own adventures.

Creative Play

On Wednesday lunchtime Mrs Clarke saw a group of children sitting around nicely on the MUGA playing with the stones. When she went to have a look the children said that they were making fairy gardens with the gravel. What a lovely activity the children had thought of themselves.
