24<sup>th</sup> September 2021

Dear Families and Friends,

We are the Year 6 group in Einstein Class and will be starting a new enterprise project after half term. It is called BUCKMINSTER'S ECO WASH SHOP (BEWS).

Our goal is to reduce the use of single use plastics by encouraging refilling of household hand soap, body wash and washing up liquid from 5L bulk containers.

We will experience all aspects of running a school shop, from sales and customer service, number crunching in the buying and finance department, team work, managing budgets, managing risk, developing resilience to change, and understanding career choices. We also hope to create more responsible consumer habits across the school community.

If you would like to take advantage of this initiative, we ask that you buy a small bottle first and then when they are empty, send them back to school and we will refill them for you saving hundreds of plastic bottles being thrown away.

Once you have your first bottle, we will mark it with your surname so when they are returned for refill, we will know which bottle belongs to who. When we have received the products from our supplier, we will let you know when and where we will be selling them. If you are unable to buy them from our stall, you can complete an order form and we will ensure your bottles are sent home.

We hope you are able to support our project and help us save the planet!

Yours sincerely

Year 6

Product	Price of small bottle	Price for refill
 <div data-bbox="272 300 620 450"> <p>Bio D Fragrance Free Washing Up Liquid 750ml</p> </div>	£2.30	£2.10
