**Drop off and pick up time outside school**

Please do not turn around on the road outside school, in the school car park entrance or in driveways. This is proving to be a serious hazard for pedestrians, children and local residents. Continue up or down the road until you are able to turn in a safe place or continue your journey home. Thank you

Remember to park in a safe place respecting residents and pedestrians.

### Bags in school

Year 3, 4, 5 & 6 children have very limited space in their cloakroom for their coats and bags. Things are falling off pegs onto the floor and becoming a tripping hazard. Children only need their PE bag and coat on their peg and their book bag in their tray. Please discourage your child from bringing a large rucksack as there is no room for it at the moment. We are looking at solutions to improve the space but until then, we must keep the area safe for everyone. Thank you

**Grantham foodbank**

A big thank you to  
**Buckminster Primary Schools**  
and the Harvest donation of **54 kg** of food  
This will help bless over 15 households  
at their point of crisis

Your donations will help us restore dignity and put smiles on local family's faces. This will work alongside our program that provides emergency food when people find themselves at their point of crisis.

A massive thank you  
We really appreciate all of the effort
